

Please can you give the following information for the following years 2021, 2022, 2023 and if possible so far 2024.

I'd like the information for elderly care homes i.e. those over 65. If you cannot break that down please provide the information for all adult care homes and make that clear

1. How many reports of concerns about abuse/safeguarding have been reported to your force within in adult care home setting?

(care homes, nursing homes etc) *In terms of abuse – physical, financial, sexual, neglect. Please break down by the years above and if possible by the type of allegation.

2. How many of those reports have resulted in an investigation into the allegations? Please break down by the years above and if possible by the type of allegation.

3. How many of those investigations have resulted in charges being brought by the force? Please break down by the years above and if possible by the type of allegation.
