

As instructed by the ticket office, I am contacting you under the freedom of information act, to see how many vehicles received a speed notice on the 2nd of May 2024 at 14:02 at A41 Birmingham Rd, towards Jn 1 M5, for the duration of the speed trap that day?

The mobile enforcement vehicle was at the location enforcing in both directions, during that time 3 vehicles were over the speed limit for location reference A41 towards the M5 and 7 vehicles were over the speed limit for the location reference A41 towards Birmingham. So, in total 10 notice of intended prosecutions were issued.
