

In relation to victim reports where the crime is confirmed committed [referring to home office guidance], I would like to know for each calendar year between 2019 and 2024:

(a) the number of reported crimes reported overall

Year	Total
2019	260,101
2020	270,753
2021	346,704
2022	364,904
2023	340,089
2024	313,061
Total	1,895,612

(b) the number of crimes where the outcome was code 15 (no further action)

Year	Total
2019	28,695
2020	36,631
2021	50,915
2022	50,000
2023	41,460
2024	29,853
Total	237,554

Description: OC15 - Named Suspect identified: evidential difficulties prevent further action(victim support)

(c) the number of crimes where the classification was changed from "confirmed crime" [within the meaning of home office guidance on classification] because "credible information to the contrary" [within the meaning of home office guidance on classification] exists that the original complaint was false.

Year	Total
2019	751
2020	576
2021	3,355
2022	4,896
2023	5,457
2024	5,702
Total	20,737

The Data relates to Code C2 = No Offence - Additional Verifiable Info
