

**FOI Request Reference: 1668/26****Request**

I am writing to request updated public information regarding traffic enforcement systems across the West Midlands.

Due to ongoing changes in road monitoring infrastructure, I would be grateful if you could provide clarification on the following:

1. An updated list of speed camera locations across the West Midlands, including the type of each camera (e.g. fixed, average speed, mobile enforcement zones) and the applicable speed limits where available
